

Name:

Date:

Service Site:

❖ **W**hat happened this week at your service site?

❖ **E**ducational Benefits: What did you learn or apply this week?

❖ **E**ngagement: How did you engage with the population you served?

❖ **K**eep thinking ahead: What planning, preparation, and/or events do you have prepared and how are your hours processing? How can you help embed or extend The Citadel's involvement with your partner site? How might you apply your volunteer experiences with any future jobs, courses, or leadership roles?

❖ **Leadership:** Describe your leadership of self and others, from your service site and from The Citadel during the period of the reflection. What have you learned from your observation of leaders in your community site? What examples have you seen of the principled behavior characteristics in action?

❖ **Your overall reflections on this week.**

***Please upload your completed assignment to the CitLearn Assignment Portal and bring a hard copy of this assignment to the following class meeting.**
