### The Citadel After Hours Emergency Contacts

Please be advised that the after-hours emergency contact phone number has been updated to **(843) 953-5304**. Any and all previous contact numbers are no longer valid and should be deleted from your contact listings.

This number has been updated on the F&E webpage as well (See Below). <https://go.citadel.edu/ofe/emergencies/>

**Any serious emergency involving fire or an imminent threat to life safety should be immediately reported to Charleston County Emergency Dispatch by dialing #911. Immediately following the report to Charleston County, the emergency must be reported to Public Safety at (843) 953-5114.**

In the event of an emergency requiring F&E action, phone calls should be made to the following numbers:

M-F (0830-1700)	(843)-953-5304
After business hours, Weekends, Holidays	(843)-953-5304 or (843)-953-6857

F&E Emergencies include: fire, electrical shorts, flooding from burst pipes or backed up drainage systems, leaking windows and roofs and those situations when additional damages will result if immediate repairs are not made. Non-emergencies include such events as: plumbing backups that do not result in overflow, plumbing that does not function when other facilities are available, lights that do not work and non-functioning air conditioning.

The Citadel's Director of Environmental Health and Safety should be notified anytime:

1. There has been a fire anywhere on campus that required the use of firefighting equipment or fire department response to extinguish, or a fire that results in an injury.
2. An emergency involving any hazardous material occurs.
3. An accident or emergency resulting in significant property damage has occurred (in excess of \$1,000).
4. A serious accident requiring transport by EMS or a death has occurred
